THE CHIMNEY TOPS ROOM

Chimney Tops has a regal Victorian feel. It offers a plush king size bed. The colors of this room show off the elegant grandeur of the mountains which are visible from the windows. This room is named after the Chimney Tops trail in the Great Smoky Mountains National Park. It is a strenuous trail, but the panoramic views from the top are worth it. The Chimney Tops picnic area has always been a family favorite for afternoons by the river.

SYNCHRONOUS FIREFLIES

IN THE GREAT SMOKY MOUNTAINS NATIONAL PARK,

What are Synchronous fireflies?

This is when fireflies flicker their lights on and off at the same time.

The largest group of synchronous fireflies are found in the Great Smoky Mountains. They are amazing to see in action!

This spectacle is so amazing people from all over the US and the world come to see them. Because of this the National Park is raffling off parking passes for this event.

Firefly viewing dates are June 4th -11th

Parking passes lottery opens at 10 am. on April 28th and closes May 1st at 8 pm.
